#### INSTITUTIONAL ENVIRONMENTAL POLICY

Environmental conservation has taken the centre stage at the International and National level in the form of sustainable development goals. SVKM's PGCL, Mumbai is fully committed to the national objective of mitigating climate change, promoting the use of alternative energy sources, conservation of natural resources and promoting pro-environmental behaviour in all its stakeholders. Any action that conserves, protects, and rejuvenates the environment is known as green action. To align the green actions of the college to the nation and international environmental goals of preventing environmental destruction, protection and conservation of natural resources and revival of damaged ecosystems the college has a green policy. The guiding principles of the green policy are:

1. To promote greening of the campus through landscaping and housing indoor plants, reducing the use of plastic bottles and paper cups.
2. To make eco-sensitive and pro -environment behaviour towards the environment through workshops, guest lectures, seminars, and conferences.
3. Strive to emulate in students to be "Catalysts for Green Change"
4. To involve the stakeholders in environmental remedial actions such as beach clean-ups, save tree campaigns etc.
5. To reduce the carbon footprint of the college by using low energy solutions and reducing consumption.
6. To promote respect towards nature and wildlife through fieldtrips and visits to National Parks, Nature Parks, Gardens etc.
7. To conserve natural resources and switch to alternative sources of energy.

 Vatsala Toprani  
 Chandni Turakhiya  
 Siya Bhadra  
 Akbar  
 Karan

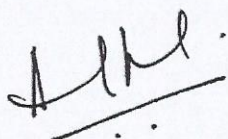

**Faculty Coordinator:**

Ms Anju Singh  
 Ms Vidya Tewani

**Student Volunteer/s:**

Rijul Chindarkar -1st year A006  
 Anushka Sonavne -1st year A052  
 Shravya Dhulla - 1st year A009  
 Vatsala Toprani - 4th year A032  
 Chandni Turakhiya- 4th year A035  
 Siya Bhadra- 3rd year A004  
 Vrushab Shah- 4th year A026

**Name and Signature of the Convenor**

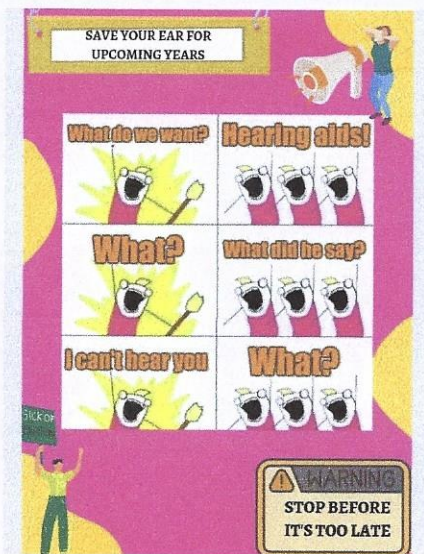

Ms. Anju Singh

### OBJECTIVE OF THE EVENT (maximum 250 words)

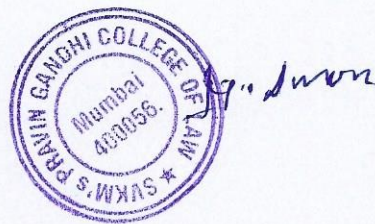

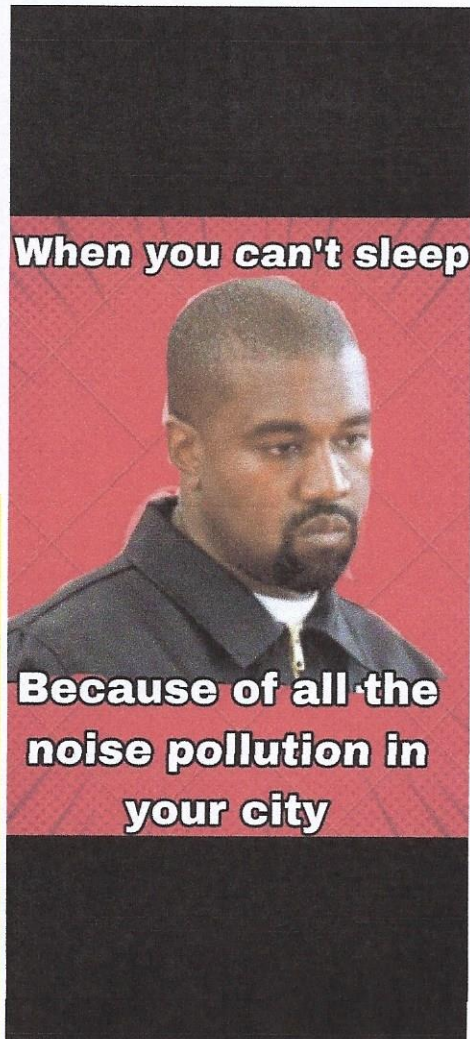

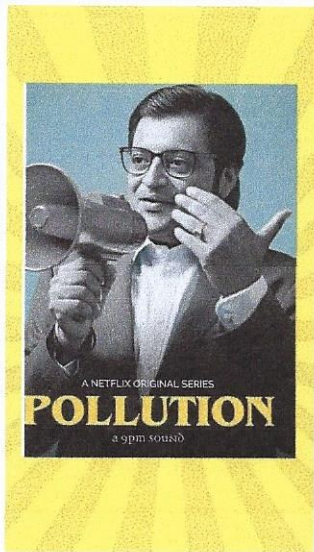

The main aim of the event was to create awareness and make students attentive to the cause and effects of noise pollution. The event also concentrated on ways to overcome noise pollution and ways to measure it.

### FLYER OR BROCHURE (IF ANY) - PASTE JPEG FILE

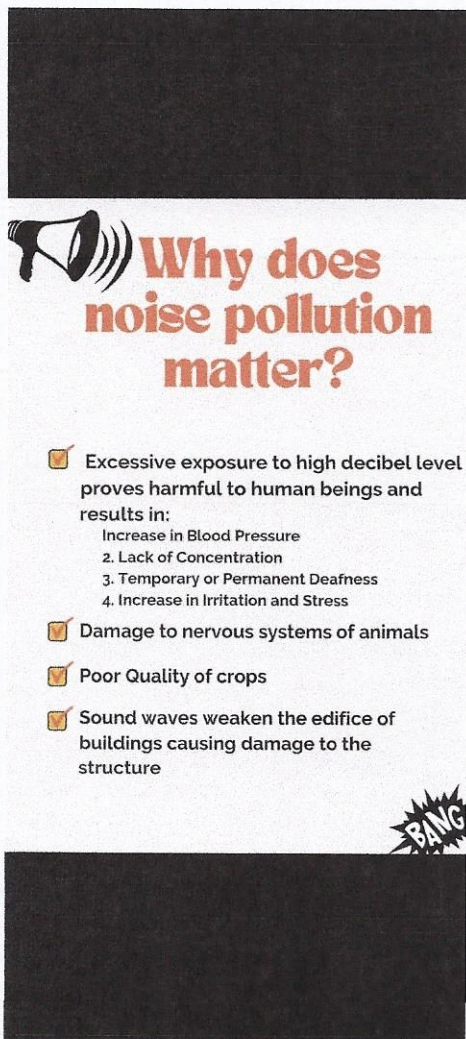

*Anju Singh*

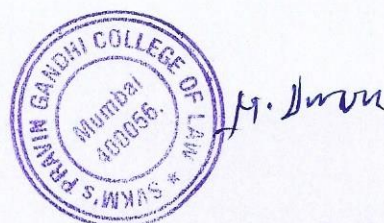

The following posters were made and pasted around the College Campus to spread awareness about noise pollution and help educate the passerby to understand its ramifications

**SCHEDULE OF THE PROGRAM (IF ANY)- 25/07/2022 - 06/08/2022**

**RESOURCE PERSON ( Name and Designation)- All Student Volunteers mentioned above**

**BRIEF NOTE ABOUT THE EVENT ( 300 – 500 words)-** Noise levels for an average of 12 days were calculated by the sound level meter in three decided spots on the campus and the noise readings of those particular spots were later compared

to each other, Noisest times of the day were calculated and through a presentation in all the classes of SVKM'S PGCL awareness was made on how to reduce noise pollution and contribute towards reducing noise levels in their vicinity. An attempt was also made to aware individual classes of their average daily noise levels and was inspired to make an impact on reducing their daily noise levels by methods such as not crowding in corridors, maintaining decorum, not yelling and trying to talk softer.

## LIST OF PARTICIPANTS - 1st year, 3rd year and 4th-year students of SVKM'S PGCL
