INTRODUCTION

SVKM'S PRAVIN GANDHI COLLEGE OF LAW

Pravin Gandhi College of Law is a premier law institution under the aegis of Shri Vile Parle Kelavani Mandal. It is affiliated to the University of Mumbai and offers a five-year integrated law program - B.A./L.L.B, Master in Law (L.L.M) and PG Diploma in Cyber Laws & IT. It is the first and only law college under the University of Mumbai to receive an A+ Grade with a score of 3.28 CGPA on a four-point scale by NAAC. In its endeavour of commitment to excellence, it seeks to provide an environment for interdisciplinary exchanges by the combined effects of the theoretical and the practical aspects of the law. It regularly conducts various value added courses to keep abreast with the industry requirements.

CENTRE FOR ROBOTICS, AI & TECHNOLOGY LAWS (CRAIT)

CRAIT aims to recognize and adapt to the prodigious augmentation and evolution of the cyberspace & AI. CRAIT was founded with the intent to develop a community of students, lawyers, technology professionals, academicians, researchers, law making and enforcement agencies to collectively explore, question, analyze and ideate over dynamic and multifarious aspects of the digital realm. The Centre believes in promoting the indispensable rooting of digitization in the legal world by encouraging the intrigued minds to establish mastery over the intricacies of this ever-growing field of law.

CREK

CREK is a trailblazer in legal technology and online dispute resolution (ODR), setting new global standards for how justice is delivered. As the exclusive technology backbone of odr.com, a subsidiary of the American Arbitration Association, CREK has set new benchmarks for how technology can make justice more accessible, transparent, and efficient.

What truly distinguishes CREK is its rare ability to merge deep legal expertise with cutting-edge technology, crafting solutions that don't just support dispute resolution they transform it. From intelligent case management systems to seamless digital workflows, CREK designs platforms that empower institutions, professionals, and users alike.

With its global footprint and unwavering commitment to innovation, CREK is leading the legal-tech revolution reshaping how the world approaches justice in the digital age.

ABOUT GAVEL TO GADGET

Gavel to Gadget is a first-of-its-kind competition designed to push the boundaries of how we can solve legal challenges with technology solutions and design smarter, faster and more accessible solutions. This is your chance to be at the forefront of that change.

First-ever Legal-Tech Innovation Challenge
Bringing law students, technologists & other legal tech enthusiasts together.

WIN PRIZES & UNLOCK NETWORKING OPPORTUNITIES !

WHY GAVEL TO GADGET IS UNIQUE?

Innovate at the Crossroads of Law & Technology

Showcase your creative thinking where legal insight meets cutting-edge tech.
