PRESIDENT'S MESSAGE

India is in the initial years of a new millennium, making tremendous strides in the sphere of technological advancement, digitization and globalization. As a result of this change in dynamics, the challenges she has to contend within the national and international arena are immense.

Academic institutions have a vital role to play in assisting the youth of today in realizing their potential in order to enable them to assume their destined roles on the world stage.

Shri Vile Parle Kelavani Mandal's Pravin Gandhi College of Law maintains high standards of academic excellence. This is evidenced in the nature of the curricular and co-curricular activities initiated in the institution and the excellent academic infrastructure. The staff strives to engender in youth a grand vision with skills to translate this vision into reality. Along with this journey of self-discovery is nurtured a true spirit of enquiry, development of analytical skills and agile reasoning abilities. The pedagogy is fine-tuned to achieving these ends.

Our goal is to help create individuals with a keen social consciousness, individuals who are progressive, forward-thinking, and positive citizens of the world, capable of practicing before the Courts, providing legal advice, competent in legal drafting, participating in legal proceedings and are front runners in legal education.

Shri. Amrish R. Patel
Hon. President & Trustee - SVKM

PRINCIPAL'S MESSAGE

One is about to embark on a voyage, on a five-year association, on a road less travelled. The Upanishads advise that if one has an hour to cut a tree one should spend three-quarters of that time sharpening one's axe. Five years at this law college is just such a whetting stone.

One often wonders what would be the considerations of those who are novices in contemporary law in making career decisions; how would they decide which college to opt for: or what would be the winning combination. This institution takes pride in charting its own journey of excellence. It accepts no benchmarks; rather, creates its own benchmarks in its quest for academic pedagogical aspirations.

A ship may be safely docked at a harbor. But ships are not meant to be confined to harbors ! At this institution we offer you a vibrant, dynamic and intellectual environment on the campus which strives at nurturing potential, unearthing talent and facilitating opportunities for growth.

We would not hesitate to hold your hand and re-teach you the alphabet, just as we would not hesitate to pull you up when you have erred, for your own good.

Life's battle is not assigned to the stronger or faster man; but sooner or later the man who wins is the one who thinks he can. Join us in our intellectual aspiration to raise the bar.

We take this opportunity in welcoming you to an adventurous journey and extend our best wishes to you for your future endeavours.

Dr. Navasikha Duara
I/c. Principal

ABOUT PGCL

"Learning gives creativity,
Creativity leads to thinking,
Thinking leads to knowledge,
Knowledge makes you great."

~Dr. APJ Abdul Kalam

This quote by Dr. APJ Abdul Kalam clearly reflects the goals and objectives of SVKM's Pravin Gandhi College of Law (5 Year Course). PGCL recognizes the fact that there resides within the heart of every student the spark of creativity which lends uniqueness to every individual. Beginning from this premise, the college structures its teaching-learning programme to identify, hone in on and nurture their distinctiveness. To this effect, the college harnesses innovative and student-centric methods of teaching encouraging students to learn inside and outside the classroom. PGCL provides the students with varied platforms to develop their skills by way of debates at the intra-collegiate and intercollegiate levels, seminars, workshops, and trial advocacy through moot competitions; the movie club, Juris cine, and the literary society, L'avocat, with an in-house students' newsletter enable students to air their passionate concerns on issues, topical or otherwise. In addition, innovative, interactive methods of study in the classroom create an ambience that fosters intellectual curiosity and growth.

This methodology intersects a legal education system with the social, political and economic systems. An excellent faculty serves as facilitators in helping students materialize this vision. It is this holistic approach to education that justifies the claim SVKM's Pravin Gandhi College of Law makes, of being a law college with a difference. The college library, with its vast and eclectic collection of books and journals, is a resource pool for knowledge enhancement for both staff and students. The college gives utmost attention to the overall development of the personality of students and its faculty.

Students are also encouraged to participate in co-curricular activities and sports. While ensuring academic and co-curricular facilities to a vibrant student community, the institution is conscious of its role as a provider of legal education and its constructive and responsible component of the society. Its consistent and unstinting efforts in this direction are borne out by the fact that students join the college with potential and leave its portals as mature, self-confident and focused individuals, ready to lead rich lives of their own while enriching that of society. At the end of their SVKM's PGCL journey students emerge confident, positive thinking individuals, well equipped with domain knowledge, drafting skills, problem solving, critical thinking, leadership, professional ethics and a sense of social responsibility and sustainability to discharge their assigned professional roles responsibly on a world stage.
